

VOLUNTEER INFORMATION & APPLICATION

Thank you for your interest in becoming a volunteer for Cats Anonymous, Inc. We appreciate your efforts in becoming part of the solution to improve the lives of and reduce the number of feral cats through Trap-Neuter-Return (TNR).

Please help us match you with the volunteer activities you will enjoy most by telling us a bit about yourself. Another volunteer, who organizes the activities you might like to participate in, will contact you shortly. You may fax the form to (920) 496-6009 or mail to: Cats Anonymous, Inc, 2701 Larsen Rd., BA115, Green Bay, WI 54303. Then, join us for a volunteer orientation meeting where you can learn more about our organization, how you can help and meet some of our great volunteers. Our orientation meetings are held the third Wednesday of every month at our Cats Anonymous office. Contact us at (920) 321-1967 or office@CatsAnonymous.org with questions or to find the next scheduled meeting time.

Please be assured that all personal information is treated with respect and confidentiality and is not shared with any other entity. Cats Anonymous, Inc. does reserve the right to conduct a search of public records to ensure our volunteers do not have a record of any violence against people or animals. Volunteering for Cats Anonymous, Inc. does not qualify for court-ordered community service.

On the back are some descriptions of activities we need volunteers for — please check any and all that you might be interested in helping with ... and again, THANK YOU!

Cats Anonymous, Inc. 2701 Larsen Rd., BA115, Green Bay, WI 54303 (920) 321-1967 www.CatsAnonymous.org
Cats Anonymous, Inc. is a 501(c)3 non-profit organization

These are broad categories of some of the volunteer opportunities available. Please mark any and all that might be of interest to you.

Office work and Data entry interested

Do you have good phone and computer skills? We have an office that can use your help. From taking incoming calls, to follow up calls, everybody loves a friendly voice. We track all kinds of information and need people to enter it into excel spreadsheets. Knowing Microsoft Office is definitely a plus. We also need to write thank you notes and track our progress by collecting articles and photos to make a scrapbook. Can we bring out your creative side?

Fundraising & Special Events interested

As a non-profit group, fundraising is always in need! We need volunteers to brainstorm ideas and participate in fundraisers. Examples of some we've done include brat fries, Serogy Candy Bar sales, placing and picking up donation canisters at local businesses and gift wrapping for donations. We also have big fundraisers we need coordinated such as our annual ballroom dance or our silent auctions. Will you take the ball and run?

Marketing & Print Materials interested

Are you able to "get the word out"? We need people to do photography & video, write and design literature, signs and other print materials. Do you work well with computers? Is web designing and creating data bases your thing? Can you help recruit veterinarians and volunteers? Do you have lots of ideas? Can you think of new and better ways to get our message and mission out to the general public? We need you!

Spay Day interested

One Saturday a month would you be able to check in cats at our spay day site, help get cats into surgery, clean their traps, clean instruments or make sure the cats are ready to go home after their big day? Or even the night before, we need people to help set up our surgical room by laying and taping plastic.

Trapping & Coordinating Care interested

Are you organized and dedicated? We have very important roles available at the heart of the T-N-R program. We need volunteers to assist with trapping the cats, transporting them to vets, ensuring the trapping and vet appointments are coordinated, keeping records of the colonies, etc.

Public Relations & Education interested

Are you "politically correct"? Could you be our advertising liaison, contacting media, speaking about Cats Anonymous and TNR to schools, clubs or other special groups or at fundraising events? Can you help find target groups where TNR needs to be performed and help educate that group?

Are you a Veterinarian or Vet Tech? DVM VetTech

Is there something you can help with that we didn't mention?
